Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

Project Details:

- **Project Title:** News Orbit

- **Technology Used:** Html, JavaScript and CSS

- **Industry Use Case / Business Problem Addressed:**

1. Companies and professionals often miss critical industry updates.
2. Rapid changes and fragmented sources of tech news.
3. Spread of unverified and fake information.
4. Students lack access to relevant and credible sources for current events.

- **Expected Outcome/Utility of the Project in Our Organization:**

1. Industry-specific news categories (e.g., technology)
2. Create a "trending topics" section for the latest advancements.
3. Partnerships with credible organizations to flag fake news.
4. Curate credible educational news and simplify complex topics for students.
